

Albemarle Regional Library System is supporting your local community with a system-wide food drive.

Pay your library fines with non-perishable food donations!

If you have overdue fees, ask your local library how you can receive credit for your fines.

Program will run June 1 – 30, 2017

Please join us in helping those in need and get credit for your library fines!

Don't have any fines? Bring in a can and get a free DVD rental (one per week per family, must be 18 years or older).
